**DEPARTMENT OF PUBLIC INSTRUCTION
2013-15 BIENNIAL BUDGET
DRAFTING REQUEST TO THE LEGISLATIVE REFERENCE BUREAU**

☒ Draft for Possible 2013-15 Budget Bill Introduction (*Agency Decision Item No. 4001*)

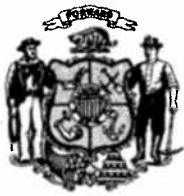

Subject: Reading Assessment
Request Date: September 17, 2012
Agency Contact: Mike Bormett, 266-2804

Brief Description of Intent:

The department requests to modify Wis. Stats. 118.016 (1) to include additional grades. The current law requires the reading readiness assessment for only kindergarten pupils. DIN 5002 would expand the reading readiness assessment for use in grades 4K-2, thus, requiring statutory language to include those grade levels as well.

EDUCATION

PRIMARY AND SECONDARY EDUCATION

Under current law, each school board and each independent charter school must annually assess all pupils in kindergarten for reading readiness using an assessment selected by DPI. If a reading readiness assessment indicates that a pupil is at risk of reading difficulty, the school board or charter school must provide the pupil with certain reading services.

Under this bill, beginning in the 2014-2015 school year, each school board and each independent charter school must annually assess all pupils in *four-year-old and five-year-old* grades 1 and 2 for reading readiness and provide reading services to any pupil who is determined to be at risk of reading difficulty.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Beginning in the 2014-15 school year, each school board and the governing body of each charter school established under s. 118.40 (2r) shall, using the appropriate, valid, and reliable assessment of literacy fundamentals selected by the department, annually assess each pupil enrolled in grades 1 and 2 in the school district or in the charter school for reading readiness. To Jonathan Hoechst:

Section 115.01 (2) states that "where reference is made to 'kindergarten' ^{stet} the reference includes both 4-year-old and 5-year-old kindergarten, except as otherwise specifically provided." Therefore, under current law, reading readiness assessments are required for pupils in both 4-year-old and 5-year-old kindergarten. This draft expands the reading readiness assessment requirement to grades ^{sp} ① and ②. Please let me know if this is not consistent with DPI's request.
